

A moment of truth: A word of faith, hope and love from the heart of Palestinian suffering

The Kairos Palastine Document

Why now? Because today we have reached a dead end in the tragedy of the Palestinian people. The decision-makers content themselves with managing the crisis rather than committing themselves to the serious task of finding a way to resolve it. The hearts of the faithful are filled with pain and with questioning: What is the international community doing? What are the political leaders in Palestine, in Israel and in the Arab world doing? What is the Church doing? The problem is not just a political one. It is a policy in which human beings are destroyed, and this must be of concern to the Church.

We address ourselves to our brothers and sisters, members of our Churches in this land. We call out as Christians and as Palestinians to our religious and political leaders, to our Palestinian society and to the Israeli society, to the international community, and to our Christian brothers and sisters in the Churches around the world.
