

# A Rabbi Talks With Jesus : An Intermillennial, Interfaith Exchange. Image Books, Bantam Doubleday Dell Publishing Group, Inc., 1994

| Neusner, Jacob

Paperback. ISBN: 0385473060. A discussion between an imaginary first century Jew and Jesus. It discusses the reasons Jews cannot accept Christianity. Focuses heavily on the Sermon on the Mount. I found it to be a very informative discussion. It raised questions that I believe are critical to either faith.
