In our Time. The Flowering of Jewish-Catholic Dialogue. New York: Paulist Press, 1990

| Fisher, Eugene J. and Leon Klenicki.

Contains the three statements that constitute official Roman Catholic teaching on Jews and Judaism ("Declaration on the Relationship of the Church to Non-Christian Religions" [Nostra aetate, no 4], "Guidelines and Suggestions for Implementing the Conciliar Declaration, Nostra aetate, no. 4," and "Notes on the Correct Way to Present the Jews and Judaism in Preaching and Catechesis in the Roman Catholic Church"), along with two subsequent statements. The editors analyze the importance of the statements and their impact from their respective Catholic and Jewish perspectives. Includes a helpful chart comparing the three official Vatican statements--issued in 1965, 1974, and 1985.
