

Jews and Christians: A Troubled Family. Nashville: Abingdon Press, 1990

| Harrelson, Walter; Falk, Randall M.

An upbeat book, written in conversational style by a Christian biblical scholar and a rabbi who alternately share their understanding of key Jewish and Christian concepts (including Scripture, God, Jesus, the Holocaust, election, covenant, mission, Israel, and the relationships of Jews and non-Jews). Their introductory level and simple approach make this an accessible book.
