

Judaisms and Their Messiahs at the Turn of the Christian Era. Cambridge: Cambridge University Press, 1987

| Neusner, Jacob; Green, William; Frerichs, Ernest; eds.

An important collection in situating messianic thought in its historical and literary context. The "Preface" explains the choice of the term "Judaisms" -- an explanation crucial to the work. Saldarini, Anthony J. Pharisees, Scribes and Sadducees.
