

# Our Age: The Historic New Era of Christian-Jewish Understanding. Foreword by John Cardinal O'Connor. 202 Cardinal Rd. Hyde Park, NY 12538: New City Press, 1996

| Bemporad, Jack; Shevack, Michael

The last fifty years have seen strenuous efforts by Catholic and Protestant churches to refute the falsehoods of the past. The summary of this change in Our Age will be familiar to many readers, but this book is a good introduction for others. It is of special interest as it is written by two rabbis, Jack Bemporad and Michael Shevack, who have been active in dialogue.
