

Pain and Polemic: Anti-Judaism in the Gospels. Stimulus Books. New York/Mahwah: Paulist Press, 1992

| Smiga, George M.

Tight, very helpful analysis of the polemical passages of the New Testament by a Catholic scholar. Smiga explores the Christian gospels (Matthew, Mark, Luke and John) with an eye toward relating where anti-Jewish polemic exists, and to what degree. Includes a discussion and evaluation of recent authors' positions on the topic.
