

Paul among Jews and Gentiles. Philadelphia: Fortress, 1976

| Stendahl, Krister

Indispensable reading from a former Harvard N.T. professor who was also Moderator of the WCC Churches Commission on the Jewish People (CCJP). His interrogation of the N.T in the light of his work in his involvement with practical interfaith relations is brilliant. Note especially his seminal chapter on 'The Apostle Paul and the Introspective Conscience of the West.'
