

Removing Anti-Judaism from the Pulpit. Chiron Publications. Philadelphia: American Interfaith Institute and New York: Continuum, 1996

| Kee, Howard Clark; Borowsky, Irvin J., eds.

140 pages. A challenge to bring Christian preaching abreast of advances in interfaith relations. The initial section of this collection consists of essays exploring hermeneutical principles that might undergird more adequate preaching by Christians. The second section offers examples of specific sermons.
