Shalom Center

Brings Jewish spirituality, tradition, and experience to bear on issues of tikkun olam - pursuing peace, seeking justice, healing the earth, and building community. Director: Rabbi Arthur Waskow. <http://www.shalomctr.org>

The Shalom Center is dedicated to inspiring the Jewish community to greater attention and action on questions of peace and justice for the planet and all who dwell on it; and as part of this effort, to making common cause with peace and justice advocates of all faiths.
