

The Crucified Jew: Twenty Centuries of Christian Anti-Semitism.

| Cohn-Sherbok, Dan

Grand Rapids, MI: Wm. B. Eerdmans Publishing; Philadelphia: American Interfaith Institute and the World Alliance of Interfaith Organizations, (1992) 1997

A sensitive and informed reading of the history of the church in its western European setting will dispel any doubts about the veracity of the sub-title of this important scholarly survey of the topic. This is the most exhaustive one-volume treatment of the nature, rise, and development of antisemitism.
