

Time to Meet: Towards a Deeper Relationship between Jews and Christians, London: SCM Press, 1990

| Braybrooke, Marcus

Braybrooke is one of the leading British historians and theorists of interfaith dialogue. Practical experience as Executive Director of the Council of Christians and Jews in London enabled him to write this effective and winsome book. Note in it particularly many insights from Anglican spirituality. If you have not read anything in the area of Jewish-Christian relations this is where to begin.
