

Warrant for Genocide: The Myth of the Jewish World Conspiracy and the Protocols of the Elders of Zion. London: Eyre and Spottiswood, 1967, and Harmondsworth, Penguin Books, 1970

| Cohn, Norman

All Christians should know the story of the forgery of The Protocols of the Elders of Zion because this baleful work is still around (it is still reprinted within the Arabic speaking world and in Eastern Europe). Cohn discusses authoritatively that mythological world inhabited by the antisemites of the late nineteenth century which was so eagerly adopted by the Nazis.
