

200 quotations – Interfaith Dialogue

01.02.2021 | Scarboro Missions

A collection of 200 dialogue and dialogue-related quotations, gathered from a wide range of sources – ancient and modern.

This anthology touches on numerous issues including diversity, pluralism, unity, global consciousness, anti-racism, justice, transformation and listening. You will find these quotations to be useful for group reflection, writing projects, workshops, conferences and as a permanent reference document. Please consider forwarding this document to your colleagues and linking to it on your website:
