Book Award for Mimi Schwartz

Just a few days ago we received this message by Mimi Schwartz:

Hi All,

I want to let you know that *Good Neighbors, Bad Times, Echoes of My Father's German Village* is a winner of the *ForeWord Book of the Year Award in Memoir* for 2008. It will be coming out in paperback this November, complete with "Discussion Questions" for easy use in courses, book groups, etc.

If you know of teachers and book groups who are interested in struggles for decency during times of political hate--and the implications for us, as neighbors, today -- please refer them to www.mimischwartz.net for more information about the book and me.

Best,

Mimi
