

Ending Auschwitz: The Future of Jewish and Christian Life. Louisville, KY: Westminster/John Knox Press, 1994

| Ellis, Marc H.

In the new empowerment of the Jewish people in the State of Israel, Ellis suggests, Jews have to learn from the mistakes of Christians. One fruitful ground for dialogue is learning from each other about how power is to be used in the light of the Kingship of God. Valuable material here about Jesus and his message from a Jewish liberation theologian's point of view.
