The Society for Christian-Jewish Cooperation Düsseldorf, Germany, has published an information brochure on the topic of "Anti-Semitism and Judaism", which is available in German and English. The Düsseldorf "Society" is one of over 80 local dialogue organizations in Germany that has been committed to Christian-Jewish dialogue since its founding in 1951.

The aim of this brochure is to help dispel antisemitic myths and misconceptions and sharpen awareness for the spread of antisemitic stereotypes and language in society. It is addressed to young people, teachers, educators and trainers as well as interested adults who wish to confront the everyday open or hidden antisemitism in our society.
