

Homework for Jews: Preparing/or Jewish-Christian Dialogue. 2nd, rev. ed. New York: National Conference of Christians and Jews, 1985

| Sternfeld, Janet

An introductory-level study guide for small groups, divided into six sessions which address the demands of dialogue, common concerns about participating in dialogue, Christian diversity, the changing Christian attitude toward Jews, Israel, and self-definition. Includes discussion questions and suggestions for further reading. Some material is dated, but the format is helpful.
