

Judaism in German Christian Theology Since 1945: Christianity and Israel Considered in Terms of Mission, Metuchen, New Jersey: The Scarecrow Press, Inc., 1975

| Fleischner, Eva

The Austrian-born scholar Eva Fleischner has focused upon Christianity's relationship to Judaism in terms of mission. She considers her theme continually against the background of (a) the Holocaust and (b) the establishment of the State of Israel. Very valuable introduction to German theology in this period. Important foreword by Krister Stendahl.
