

Stepping Stones to Further Jewish-Christian Dialogue, London and New York Books, 1977

| Croner, Helga, ed.

To its date of publication, this represents the most comprehensive collection of key documents from Catholic and Protestant sources dealing with Christian-Jewish relations. It includes the decree of Vatican II on the Church and the Jewish People. Contains almost all the documents issued by the churches, Roman Catholic, Protestant and ecumenical (WCC), from the Second World War to 1975.
